Dan Spruill Named Director of Information Technology

Laytonsville, MD – Ruppert Landscape is pleased to announce the hiring of **Dan Spruill** as Director of Information Technology.

Spruill comes to Ruppert with over 20 years of experience in the information technology and management fields. Most recently, he was the Executive Vice President for a company that provided online educational products as well as video teleconferencing and multimedia installations and their ongoing support for the Federal Government.

“Dan has the right mix of management capabilities and hands on experience to help drive our IT initiatives,” said Tom Barry, Chief Financial Officer. “We are looking forward to benefitting from his expertise and we believe Dan will be a great fit for our organization.”

In his role as Director of Information Technology, Spruill will be responsible for the management and development of our IT department, acting as the key liaison between the IT department and the business. In that role he will assist with communicating strategy, employee needs, project ROI's, hardware/software needs, outsourcing opportunities and budgets to the executive team.

Dan attended Loyola University in Maryland, where he earned a bachelor's degree in Engineering Science. He lives in Finksburg, MD with his wife, Cheryl and their three children.

Ruppert Landscape, a family and employee-owned business, provides commercial landscape construction and management with 18 branch offices serving seven primary markets in Philadelphia, Baltimore, Washington D.C., Richmond, Raleigh, Charlotte and Atlanta. The company has a long-standing tradition of growing its team and giving back to the community. Visit us at www.ruppertlandscape.com.
