Ruppert Landscape Named Lawn & Landscape Top 100 Company

Laytonsville, MD – Ruppert Landscape has been named one of the largest landscape companies in North America by Lawn & Landscape magazine.

Ruppert Landscape ranked 12th on the 2016 Lawn & Landscape [Top 100 list](#), which was published in May.

“We are grateful to have been selected and recognized among so many of the industry’s top performing companies,” said Phil Key, president. “We are fortunate to have a very dedicated team of over 1200 employees who work hard each and every day to keep our customers happy and ultimately help us achieve our goals and recognition such as this.”

The Lawn & Landscape Top 100 is based on 2015 revenue from landscape profit centers, and is reported by each company listed. Companies on the Top 100 list earned total revenue in 2015 of \$8,445,782,868. That’s \$403,225,109 more than in 2014 – an increase of 5 percent. Companies on the list reported total employment (seasonal plus year-round employees) of 83,971 people. The list comprises 96 companies in 30 states and four firms in Canada.

“To be included on the Top 100 list is a high honor. This list is very exclusive – only a small percentage of landscapers can make it – and brings with it a great responsibility,” says Lawn & Landscape Editor and Associate Publisher Chuck Bowen. “Because of their size and stature in the industry, these 100 companies act as ambassadors of the landscape profession to homeowners and commercial property managers across the country. They continue to exhibit all the things that make the landscape industry great: dedication, drive and a desire to make the world a better place.”
