## **INSIGNIA ON M RECEIVES CERTIFICATE OF OCCUPANCY**

**Washington, DC**, March 15, 2017 — Donohoe Construction turns over the first phase of occupancy at Insignia on M after receiving the Certificate of Occupancy from Washington, DC, marking an important project milestone.

Developed by Donohoe Development Company and MetLife, Inc., the new multifamily building features 324 luxury units with upscale finishes in the kitchen and bathroom as well as hard wood flooring, keyless entry, customizable walk-in closets and built-in charging stations for USB devices. Select units also include floor-to-ceiling glass windows with waterfront and capitol building views, private balconies and frameless glass showers.

Designed by WDG Architecture to achieve LEED Silver Certification, Insignia on M's extensive amenities include a resort-style rooftop pool, a penthouse club room, secure bike storage, a fitness center with yoga room, a pet spa, a 60-foot plaza with café seating and gardens.

The 13-story high-rise sits directly above the Navy Yard–Ballpark Metro Station in D.C.'s Capitol Riverfront neighborhood. Additionally, the building contains 11,000 square-feet of ground-floor retail space and three levels of below grade parking.
