## **DONOHOE CONSTRUCTION COMPLETES 700 CONSTITUTION**

**Washington, D.C.** — The historic renovation project, 700 Constitution, has reached substantial completion. Developed by Urban Structures and Borger Management, the once abandoned hospital, originally built in 1888, was transformed by Donohoe Construction's Specialty Division into a luxury apartment building with 147 units.

Designed by Architecture, Inc., 700 Constitution has retained its historic charm but has been revamped with modern day finishes and amenities that include an indoor dog wash, yoga room, below grade parking, rooftop terrace and a business center.
