

Rockville, MD – June 22nd – INSURANCE ASSOCIATES INC is pleased to announce that it has been selected as one of TOP WORKPLACES 2015.

The Top Workplaces are determined based solely on employee feedback from a survey. The employee survey is conducted by WorkplaceDynamics, LLC, a leading research firm on organizational health and employee engagement.

Last year the firm contributed to a local charity, sending employees out of the office to pull weeds and do yard work for a group home. Additionally, during the Thanksgiving season the employees donated more than 1,000 pounds of food and other nonperishable items to another local organization. Insurance Associates also promotes a wellness program in which it reimburses 50% of employees' wellness expenses.

“Insurance Associates is extremely proud to be named a Top Workplace in The Washington Post. This is an honor and it is wonderful to see that so many of our employees are this passionate, engaged, and dedicated to the work that they do at IA,” said Stephen A. Spencer, President of Insurance Associates, Inc.
