DONOHOE CONSTRUCTION PROMOTES ROBERT WILSON

Washington, DC, November 7, 2014 —Donohoe Construction Company is pleased to announce the promotion of Robert Wilson to Senior Vice President of Operations. In his new role, Wilson will be responsible for the layout of project strategies, leading project teams, and refining Donohoe Construction's policies and procedures.

Wilson has been with Donohoe Construction since 1992, beginning his career as a project manager. His past projects include the \$92 million Vista on Courthouse project in Arlington, Virginia, The George Washington University Ames Hall in Washington, DC, the DelRay Tower Apartments in Alexandria, Virginia, the Capitol View on 14th in Washington, DC and the Gallery Bethesda project in Bethesda, Maryland.

"In his 22 years at Donohoe, Bob has demonstrated a true "builder" mentality and has reminded all of us about our responsibilities that lead to first occupancy," said Steve Donohoe, President of Donohoe Construction Company.

Wilson holds a Bachelor of Science in Building Construction from Auburn University and is a Green Advantage Environmental Commercial Certified Practitioner.
