

MARCH 24, 2016.

GUEST SPEAKER

SUNIL DORAIRAJAN

Mr. Sunil Dorairajan has more than a decade worth of experience working on residential and commercial projects as a Sr. Project Manager for Foulger-Pratt. With his experience and knowledge in the construction Industry, Sunil Co-founded Pype Inc. to provide companies with more efficient software to save time in the closeout stage and process of construction projects. Please join us in welcoming Mr. Sunil at this week's club meeting as he explains and demonstrates how Pype Inc.'s software is making a change for the better in the construction industry.
