Wendy Hildebrand Hired as Information Technology Application Development Manager for Ruppert Landscape

Laytonsville, MD – Ruppert Landscape is pleased to announce the addition of Wendy Hildebrand as the IT Application Development Manager at our corporate headquarters in Laytonsville, MD.

Hildebrand, a resident of Jessup, MD, brings over 12 years of industry experience in multiple technologies, project management methodologies and deployment teams of various sizes. Recently, she led the software development strategy at Nielsen (formally Arbitron) for a system that enabled large media and advertising companies to view a full analysis of media usage for the first time across radio, television, PCs, tablets and mobile phones. Hildebrand is Project Management Professional (PMP) certified and holds a bachelor's degree in English Secondary Education from Salisbury University and a master's degree in Business Administration from the University of Baltimore.

In her role as the IT Application Development Manager at Ruppert Landscape, Hildebrand will be responsible for leading key strategic enterprise-wide software projects for the company. Sheila Schanck, Chief Information Officer, describes Hildebrand as a lever for the company's IT initiatives to move more swiftly and efficiently. "We are thrilled to have Wendy aboard as a member of our IT team here at Ruppert," says Schanck. "Having worked with her previously in a high-demand, high-quality industry of multimedia ratings measurement, I am confident that Wendy will quickly integrate innovative technologies with Ruppert's quality-driven business processes on pace with our company growth."

Ruppert Landscape, a family and employee-owned business, provides commercial landscape construction and management with 18 branch offices in five Mid-Atlantic States, serving seven primary

markets in Philadelphia, Baltimore, Washington D.C., Richmond, Raleigh, Charlotte and Atlanta. The company has a long-standing tradition of growing its team and giving back to the community. Visit us at www.ruppertlandscape.com.
