### August Promotions at WCS Construction, LLC

Washington, DC (Oct, 2017) – Cris Shaw, Vice President of WCS Construction, LLC is pleased to announce the promotion of Ramsay Moreland to Senior Project Manager and Tom Prisaznick to Senior Superintendent.

Ramsay came on board with us in May of 2015 and has been in the construction industry since 2002. Ramsay is a graduate of the University of Maryland and is a LEED Accredited Professional. He started his construction career with two years in the field as an assistant superintendent and then phased into project management. The types of projects he has overseen and managed include a high school, office, warehouse and several multi-family projects.

Tom came on board with us also in May of 2015 and has been in the construction industry since 1977. With a total of 35 years of construction experience, Tom has overseen mid/high rise buildings, condominiums, apartments, single, and multi-family housing.

Currently both have been outperforming in their roles as project manager and superintendent on the Pike & Rose Block 6 project for Federal Realty Investment Trust. With Block 6 nearing completion, I am sincerely grateful of their leadership, effort and tenacity in overseeing and managing the project well.
