Recent promotions at WCS Construction, LLC

Washington, DC (February, 2017) – Jim Anglemeyer, President of WCS Construction, LLC is pleased to announce the following promotions: Jae Park to Senior Project Manager, Robert Munson to Senior Project Manager and Marty Shaffer to Senior Project Superintendent.

Jae Park joined WCS Construction, LLC in 2001 as an Assistant Project Manager and is currently managing the Windmill Parc III project in Dulles, Virginia. A licensed real estate agent in the Commonwealth of Virginia and a LEED accredited professional, Jae played a major role in the creation of the contract templates still in use with us today. He also served an integral role in the various redesigns of our central office. Jae is a graduate of the University of Maryland, College Park with an MS in Construction Management as well as a graduate of James Madison University with a BS in Physics.

Robert Munson is currently managing our team at the 800 New Jersey/Agora at the Collective project in Washington, DC. Rob's knowledge of alternative construction software products such as Prolog and Bluebeam has been instrumental in the growth and education of our project manager teams, revamping the way we do business. He is a LEED BD+ C accredited professional and graduate of James Madison University with a BS in Integrated Science and Technology.

Marty Shaffer joined WCS Construction, LLC in 2014 and is currently heading up the WCS project team at our Agora project in Washington, DC. Marty has been in the field of construction since 1986 and proudly served in the United States Air Force before entering the industry.

About WCS Construction, LLC
