## **DONOHOE CONSTRUCTION TOPPED OUT SENIOR LIVING COMMUNITY**

**Alexandria, VA**, March 30, 2017 — Donohoe Construction Company celebrated the topping out of the Brandywine Living at Alexandria project yesterday with a luncheon for project team members. Located in the new Cameron Park development on 450 South Pickett Street in Alexandria, the 6-story senior living project is the first of five Brandywine Living communities planned in the Washington D.C. area.

Designed by Niles Bolton & Associates to achieve LEED Silver Certification, Brandywine Living at Alexandria will consist of 116 luxury suites that are situated above ground-floor retail. The senior living community will feature 2 levels of below grade parking, interior and exterior courtyards, a therapy pool and gym, beauty salon, movie theater, pub, outdoor patios, private dining rooms and many other building amenities designed to enhance the quality of the resident experience.

The project broke ground March 2016 and is expected to be completed in December.

### **About Brandywine Living**

Brandywine Living is a market leader in luxury senior living, including assisted living, memory care and independent living. Founded in 1996, and headquartered in Mt. Laurel, New Jersey,

Brandywine currently operates 27 communities in five states (PA, NJ, NY, CT & DE) with the capacity to serve over 2,700 residents. Brandywine is actively expanding its portfolio in the Mid-Atlantic and currently has over \$100 million of construction in progress (including a community in Livingston, NJ scheduled to open in 2017). Brandywine is under agreement for additional sites in Northern VA and Montgomery County, MD, and anticipates opening five communities in the D.C. metropolitan area.
