CAMDEN NoMA RECEIVES CERTIFICATE OF OCCUPANCY

Washington, DC, January 13, 2017 - Donohoe Construction project, Camden NoMa, has received a Certificate of Occupancy from Washington, DC and has turned over the first phase of occupancy, which includes the three levels of below grade parking, amenity spaces, and units up to the third floor.

Developed by Camden Properties and designed by WDG Architecture, the \$69 million project sits 15-stories high and is made up of 405 units along with many high-end amenities for residents to enjoy including a fitness center, a courtyard and rooftop pool.

The 492,109 square foot project broke ground in February 2015 and is currently ahead of schedule to reach its final milestone, substantial completion, in the spring.
