**CONGRATULATIONS TO THERRIEN WADDELL, INC.  
FOR WINNING THE LAST MEMBERS WORKING WITH MEMBERS CONTEST!**

ABC of Metro Washington encourages all members to do business with the very best contractors, suppliers, and professional associates in the area – other ABC members! The Members Working With Members program is our way of thanking and recognizing those member firms that truly support and promote this philosophy.

To enter, simply fill out and return this application listing the companies with which your firm did business in the first quarter of 2010 (January through March). We will screen out the non-members for you.

Each quarter, the firm working with the most members will be highlighted in *Building Washington* and on our website and will also receive an award certificate noting this accomplishment. Please return your completed January – March 2010 application by mail or fax by April 19, 2010, Attn: Liz Brockman.

**“Simply being included in the ABC of Metro Washington membership directory has proven to be a powerful tool for the growth of our business. I have received calls about business opportunities from several firms, both within and outside of the DC metro area, solely due to our ABC membership and directory listing. These firms told me how much they care about working with other ABC members, supporting those relationships and furthering the merit shop philosophy.”**
