Insurance Associates Moves its Headquarters after 10 Years

On January 22nd 2018, the Rockville Staff of IA were welcomed into a new home at One Church Street. The agency moved from the building next door, 21 Church Street, where they operated for ten years.

This move marks the fifth historical move of the agency's headquarters:

- 1956 – Agency was Incorporated – Vermont Ave. Washington, DC
- 1970 – Connecticut Avenue – Chevy Chase, MD
- 1995 – The Historic Wire Building – Rockville, MD
- 2008 – 21 Church Street – Rockville, MD
- 2018 – One Church Street – Rockville, MD

Insurance Associates is fortunate to have the entire 5th floor of the building, which is the equivalent of 8,800 square feet, designed just for them! The new space at One Church Street features an open modern feel with low workstations and rounded desks so that employees can easily engage in client-centric conversation. The offices contain glass walls that enable light to enter and also contributes to the contemporary look. There are even new amenities such as a lounge for associates and a wellness room that were not able to be offered at the previous address.

“I am very excited about our new location,” said Stephen A. Spencer, President of Insurance Associates Inc. “The added space of having an entire floor to ourselves will enable us to grow and serve our clients more effectively than ever. We simply cannot wait to share this new state-of-the-art office with our clients, company partners, and colleagues.”
