### Better. Faster. Safe.

We are proud to announce that Allan Myers has been named the 2017 Contractor of the Year by *ENR MidAtlantic*. We were featured as the lead story of the publication's August 2017 issue. The article titled "[Family-Owned Firm Is Serious About Safety](#)" features our culture of safety, our family leadership, our community contributions, and our company growth.

This is a tremendous honor by such a well-respected publication and it is a direct reflection of the hard work and dedication of our more than 2,000 employees, as well as our numerous external partners.
